**Subject:** Stibnite Gold Mine Early Actions Memo

Elizabeth:

The attached file provides a memo that summarizes three Early Actions that Midas Gold proposes to undertake at the Stibnite Mine site. These early actions would be undertaken as a part of the Administrative Order on Consent (AOC) with EPA, USFS, IDEQ, and the Shoshone-Bannock Tribes (Participants), each of whom have been involved in the AOC negotiations. Please circulate this proposal to the other Participants.

In preparation for the meeting at EPA's Seattle office on January 30, we will develop a presentation for the AOC Participants that summarizes these proposed Early Actions.

If you have any questions, or comments on the memo please contact me directly. Thank you.
